G2-Unit 19 lesson 1

Lesson Title: The `Isha' Salah

Date:

Number of Students:

Warm up Activity:

There are a number of suggestions that **are** supposed to be a good prologue:

The teacher can start the lesson with a revision for:

The song of Wudu.

The song for the number of Rak`aat for each prayer.

The Adhkaar of the Salah.

This will help the students to memorize them fluently and use them in the prayer.

The revision can be done by the whole class or by dividing the students into groups.

No more
than 7
minutes

Another suggestion:

The teacher can start the lesson with a story of 2 boys. Ahmad, has a good link with the king of his country; while Tarek did not care about the king and had a very bad relation with him. Ahmad visits the king 5 times per day: he has breakfast with him, lunch, afternoon sweets, dinner, and milk and fruits before he goes to bed. While Tarek does not visit the king at all. After the story, the teacher can ask the students: if Ahmad needs something and asks the king for it, will the king give him what he needs? The answer will be yes. What about Tarek? The answer will be no.
