|            | <p>For group A the teacher can <b>play</b> the CD 3 times. The students follow with their fingers under the words and reading with the sheikh in their heart or with a very low voice. The teacher passes between them to monitor. After the 3 times she divides them into groups of 2. She gives them instructions to memorize one aya at a time and to recite to each other until they finish and then they can come and recite it to the teacher, she will decide if there are any weaknesses to be fixed. And if anyone has any difficulties they can call her for help. She'll be going around among them listening to their work.</p> <p>For group B the teacher reads by herself the first aya dividing it word by word. She reads and asks them to repeat after her while she is watching their <b>lips</b> and listening to their reading, to find out if anyone is not pronouncing correctly. After the first step, when she is sure that the pronunciation is correct, she starts the memorization process. For example for the first aya she can do the following:</p> <p>وَأَمَّا مِنْ 3 times<br/> خَفَّتْ 3 times<br/> مَوَازِينَهُ 3 times</p> <p>After she finishes 2 ayas she can divide them into groups of two and asks them to recite to each other while she passes between them to check. If the teacher finds the level of her students is good, she can go faster.</p> |      |                                    |            |
