

DAILY LESSON PLAN
G1-Unit 27 lesson 1

Lesson Title: Respecting our parents

Date:

Number of Students:

Warm up Activity:

There are a number of suggestions that are supposed to be good prologues:

The teacher can start the lesson by: a movie, puppet show or a play in the morning assembly. (2 characters, one good mannered to his parents and the other one the opposite)

No more
than 7
minutes

Another activity can be done as well: divide the class into groups. Give each group a big sheet of paper. Put on the board 2 questions:

1. Why we should respect our parents.
2. What can we do to show that we respect our parents?

Ask them to have a discussion (set the time) about the questions and then they can draw or write their answers on the poster. The posters can decorate the school, and educate others.

Objectives	Procedures	Time	Teaching Strategies & Audiovisuals	Evaluation
By the end of the lesson the students should be able to:				

Objectives	Procedures	Time	Teaching Strategies & Audiovisuals	Evaluation
1. conclude that we should respect our parents because Allah ordered us to do so and because of the great care they provide for us.	<p>The teacher can discuss with the students what they have seen in the warm up activity and ask them to express their feelings towards the different behaviors..</p> <p>The teacher can ask them to open their Qur'an or their textbook, she reads for them soorah Luqman aya 14.</p>	15 min.	Pair/group work discussion	Project Questions Exercises on pages 144 & 145
2. produce a letter to their parents where they say that they love them, respect them and obey them	<p>The teacher can provide the students with blank A4 paper of various colors. The students can choose the color of the card and the decoration pieces and coloring pens(she can provide them with old magazines where they can cut pictures and stick them on their letter)</p> <p>If the school has a computer lab, the teacher can take her students to the lab where they can produce the letter and print it, or mail it directly to their parents. It will be a great experience for them.</p>	15 min.	Computer lab/ Art materials	Art work

Homework:

1. The activities and exercises in Student's Book not covered through the lesson.
